

Do you want your Sid Harvey invoice emailed instead of mailed?

YES, I prefer to receive my invoices via email, instead hard copy via first class mail. I understand that emailed invoices will not show the signature of our employee, or if the merchandise was received and that I can receive a copy of a signed invoice from my Sid Harvey branch, if needed. I also understand that in addition to receiving my invoices via email, my statement will be emailed to me on the first of each month.
