## HAYMAKER® TANKLESS WATER HEATER DESCALER Product Description

Date: August 2017

- **Hercules Haymaker Tankless Water Heater Descaler** quickly and easily dissolves inorganic deposits that restrict flow to restore circulation and heat transfer efficiency.
- Citric acid-based, non-corrosive and VOC free.
- Removes carbonates, sulfates, phosphates, rust, oxides and other mineral deposits.
- Extends the life of the appliance when used as part of a regularly scheduled preventative maintenance program.

## APPROVALS & LISTINGS

Certified to  
NSF/ANSI 60

## SPECIFIC USES

- Safe for septic systems and sewers
- Safe for Potable Water Systems.

## SPECIFIC APPLICATIONS\*

- Compatible with most commonly found plumbing-related materials including PVC, CPVC, ABS, rubber, steel and most metals.
- Other applications include descaling nonaluminum heat exchangers and water heaters.

\*For special applications which may not be covered on this or other Oatey literature, please contact Oatey Technical Services Department by phone 1-800-321-9532, or fax 1-800-321-9535, or visit our technical database website at [www.Oatey.com](http://www.Oatey.com).

## DIRECTIONS FOR USE

---

## PHYSICAL PROPERTIES

---

Appearance Opaque Yellow Liquid  
Density 1.22 – 1.26 g/cc  
pH 2.5

## WARNINGS OR CAUTIONS

---

## MATERIAL SAFETY INFORMATION

---
