Rechargeable LED Flashlight with Worklight

- Rechargeable Flashlight with integrated work light is a compact, powerful every day light offering 5 different light modes
- Features two Flashlight modes: High 500 lumens for 7 hours, Low 315 lumens for 10 hours; three Work Light modes: High-375 lumens for 10 hours, Medium- 235 lumens for 11 hours, and ECO- 35 lumens for 30 hours
- Magnetic end cap and side-barrel LEDs for a hands-free work light
- Durable flashlight rated for a 10' (3 m) drop and is IP66 water-resistant and dustproof
- Removable low-carry pocket clip keeps the light accessible and out-of-the way
- Equipped with Last Mode Memory so the light turns on in the same mode it was turned off
- Tri-color LED light indicates the battery life and the charging collar twists for recharging via an included USB-C cable
- Glow ring locator on the bezel charges when the flashlight is on
