TerraLUX Key Chain Flashlights

Small but powerful is the order of the day. Whether it's locating change at the bottom of a purse or backpack, or trying to find the keyhole for your car door in a dark parking lot, these little torches are just what you need to light the way. Our key chain lights are manufactured from durable aluminum and pack a large punch while being conveniently sized to always be along for the ride.

TerraLUX® Headlamp™ Models

Headlamps

Introducing our new TerraLUX Headlamps. Built to outperform all competitors, TerraLUX has taken headlamp design to the next level. Featuring ultralight construction, a durable aluminum housing, and incredible output, TerraLUX headlamps are truly best in class. Our headlamps will remain comfortable and stable on your head since they're light, they won't break since they're aluminum, and they shine as bright as anything you can buy. Backed by a Limited Lifetime Warranty, TerraLUX headlamps are the best choice for your hands-free lighting needs.

Ultralight Design

TLH-10 weighs in at a mere 3.2 oz (batteries included)

TLH-50 weighs in at only 5.3 oz (batteries included)

Friction adjustment keeps light on target

TerraLUX COLORADO Flashlight

A high-performance, feature-packed, 580 Lumen flashlight that operates on inexpensive, easy-to-find AA batteries. The Colorado is a multi-tasking flashlight designed for everyone who wants only the best. The threaded aluminum head accepts our colored filters and the high-strength polymer body is designed to rebuff high impact use without damage. Combine this with the addition of our mode-memory feature and a battery status indicator and this light becomes a versatile and reliable friend for everyone; from tradesmen to outdoor enthusiast and everyone in between.

WARRANTY FOR LIFE WARRANTY

TerraLUX® LightStar™ Models

LightStar™

TerraLUX builds professional-grade LED flashlights for everyone from HVAC, automotive and repair technicians to the household user. With super-durable, all-aluminum construction, high-brightness LED components, and a Limited Lifetime Warranty, the LightStar line of flashlights offers something for everyone, at a price we can all afford.

Aircraft Grade Aluminum

Our aircraft grade aluminum housings are built to last – standing up to the abuse and everyday wear and tear that comes from your working environment.

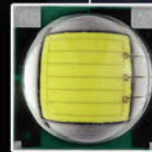

Smart Battery Choices

TerraLUX knows when you're in the field, you can't always get to a specialty shop when your batteries run low. So, our flashlights work with AA and AAA Alkaline and rechargeable batteries you can find at any corner store.**

Weather Resistance

Dust, dirt and moisture won't keep these flashlights from providing a bright, white light when you need it. These flashlights are designed to weather any storm.

Lifelong LEDs

Because TerraLUX uses top-shelf LED chips, they don't break and burn out like incandescent or halogen bulbs. In fact, you'll NEVER have to replace one.

***Include Ballistic nylon holster, lanyard, pocket clip,**
(LightStar 300 does not come with a holster)

Multi-Mode Upgrades

Get more from your industrial strength incandescent flashlight. Convert your single mode incandescent flashlight to a dual mode LED light and enjoy the benefits of LED technology without purchasing a new flashlight.

Warranty Policy

All TerraLUX products come with a limited manufacturer's warranty covering manufacturing defects. We will, at our option and discretion, repair or replace the product, or provide the necessary user-installable replacement components. Below is our warranty policy from date of purchase:

LightStar Series: Limited Lifetime

InfiniStar Series: Limited Lifetime on body, 2 year on battery

Tactical (TT Series): Limited Lifetime

LED Conversion Kits: 1 Year

Work Lights: 1 Year

Important! The warranty does not cover battery replacement or damage to a flashlight caused by drained, leaking or defective batteries, nor does it cover damage caused by misuse, abuse, or neglect.

This warranty is in lieu of any and all other warranties, expressed or implied, to the extent allowed by applicable law.
